

Thank you for your interest in Integrative Medicine and how the License Massage Therapist position within the Center for Life is used.

This program is designed for the LMT to gain knowledge and experience in the Integrative environment.

You will have 4 hours of hospital ethics and 36 six hours of actual patient observation in the hospital and clinical settings. This will be done with several of the IM providers with different disciplinary backgrounds. You have the option to complete training in a one or two week period depending on your time restraints.

The cost of this Nationally Certified 40 hour program is \$450.00.

After filling out the application each of the IM providers will review your credentials and make a decision if you would be a good candidate for this internship.

You will be notified ether way.
